Body	Abdullah Ramo Pazara Peace be upon you, brother! I forgot to tell you something else – Take off the price tags of the footwear and the clothing and write on the package that they are used items or a present. See if you can get a big plastic [box] from Wal-Mart and put everything in it, you know? You know best, brother. I pray to Allah to reward you all with the highest gardens in Paradise. Send regards to everyone there and let me know when you send all of that. If you think it is smart, get <i>insurance</i> on those packages, in case they get lost, although I don't think they will. Your brother Abdullah loves you. Peace be upon you!
